PARS FROM THE CLUBS

The next match v. Slavia will be the last game for Andy McCulloch, the captain-coach of Box Hill. He returns to his "bonnie Scotland" on May 14, after three seasons with Box Hill.

With him will go the sincere appreciation of the Box Hill Club, players and committee for his sterling work in lifting Box Hill from the relegation zone, and for his training and encouragement to individual players, that has welded Box Hill into a team that can provide strong opposition.

At the farewell dinner to Andy McCulloch on Saturday, May 10, at the Doncaster Hotel, there will also be among the company Miss Valma Sanders, of Burwood, who is the nominee of Box Hill Soccer Club as Miss Olympic, who, it is hoped, will go forward into the finals for the Rome Olympic games.

★ ★ ★

The most soccer-minded woman in Victoria is probably Mrs. Pick, wife of Slavia's secretary. She's been collecting money and generally pulling strings behind the scenes for some time, but her most recent masterpiece is the new sweater Barotajs was sporting in Slavia's goal last week. Mrs. Pick had been working on it in secret, and it came as a complete surprise to everybody concerned.

★ ★ ★

Sunshine young forward line is settling down and looks like becoming an attack to be feared. Jack Bryce, a sixteen-year-old, made a conspicuous debut against Maccabbi last Saturday.

It seems that Slavia's Reserves will come good after all. The team "clicked" last week and was unlucky to be beaten by Wilhelmina.

★ ★ ★

Coburg and Sicilia had a hard-fought draw, 2-2. It was a very exciting game and a draw was a very worthy result. Feature of the game was the excellent way the referee handled it, and his quick decisions were appreciated by both teams. T. Galea scored both goals for Coburg.

★ ★ ★

George Cross Club is contemplating a visit to Sydney this season and some offers received are being carefully considered.

★ ★ ★

Coburg are pleased at the form of T. Sacco, outside-left, who has just come back after two years' absence, due to a knee injury.

★ ★ ★

The game Austria-Rosebuud was a "must" for both sides. Austria had to win to keep hopes alive; Rosebud to keep the lead. Austria's new centre-forward gave the side a good start by scoring four goals in the first 10 minutes. The unbelievable save of a penalty-kick by goalie Peschke was another remarkable feature of a very exciting game.

★ ★ ★

Graham Duncan, playing his first game with the Essendon senior side, showed plenty of promise and could quite easily retain his place as a regular member of the team.

Death of Johnny Orr

To post-war Soccer followers the name Johnny Orr means little, but to the pre-war supporters he symbolized all that one could wish for on the Soccer field. A master of ball control and a gentleman on the field, Johnny played for Wonthaggi, Footscray Thistle, and latterly Hakoah. He died last Friday. Mr. Skolnik, on behalf of the Hakoah Club has expressed regret and sympathy to his widow and family.

Bayswater Under 16 team were very disappointed last week. Their opponents (Heidelberg) did not turn up. The boys prefer to play and lose, rather than have a walk-over.

Clubs, please note that the Secretary of George Cross, Mr. S. Stokes, has changed his address. All correspondence should be addressed as follows: S. Stokes, 92 Gooch Street, Thornbury.

★ ★ ★

A curtain-raiser for Park Rangers and Richmond will be played by the Dutch and German Carnival Societies (kick-off 1 p.m.) at Burnley.

★ ★ ★

Moorabbin City were disappointed in their failure to get Bentleigh Oval for training (reason unknown). The following training schedule has been worked out: 1st and 2nd teams will take alternate weeks for coaching and training at A. Gardner's residence at 27 Connie Street, Oakleigh.

★ ★ ★

A grand ball will be held tonight at the North Melbourne Town Hall by the George Cross Club.

★ ★ ★

Pat Sweeney (Sunshine City), who broke his arm against Brunswick, has been told by the doctor that he cannot work or play for three months.

ON THE SPORTFRONT

By FRANK BROWNE

From some of the reports of the incidents which took place during the Apia-Hakoah Federation Soccer match you probably got the idea that things were at least as violent as at El Alamein or Satelburg Ridge.

SO let us get the communique straight. Unlike some of the war correspondents who hastened to file their despatches, I was present.

This is what happened.

The first half of the game was a fine exhibition of fast, scientific Soccer. But from the time the second half began, it could be seen that Herr Jules Forgacs, the Hakoah inside-left, and Signor Guiseppe Alocca, the Apia right-half, were not exactly two hearts beating as one.

Herr Forgacs is about six inches taller than Signor Alocca, and about two stone heavier. Finally, in an effort to overcome this physical disparity, Signor Alocca hauled off and kicked Herr Forgacs on the shins with great enthusiasm and vigor.

The referee, Mr. Lieberman, saw what was going on, and rushed towards Signor Alocca with a view to sending him off.

However, Mr. Frank Hearn, the Hakoah centre-forward, decided to strike a blow for Israel, and took a running jump at Signor Alocca, knocking him to the ground, not only winding the Signor, but proving beyond any doubt that the English are not such a phlegmatic race after all.

Here was a side which boasted a collection of names like Schussig, Csardas, Aranyi, Biro, Bosanski and Javescak, yet it was left to the English to take the offensive.

SIGNOR UPSET

It was at this stage that Signor Schio, the Apia centre-forward, took a hand.

Signor Schio is a large gentleman with muscles developed in the cane-fields of Queensland.

By this time in the game the attentions of the Hakoah full-backs, Messrs. Aird, a gentleman who represents the spirit of Caledonia stern and wild in these parts, and Walsh, an Australian who somehow managed to get mixed up in the argument, had annoyed Signor Schio to a point where he felt that something should be done.

So like a regiment of Bersaglieri he came in at the double, to assist the fallen Alocca.

Alas, on arrival, he was grasped by Mr. Walsh, and while held in a half Nelson, was punched by Mr. Hearn.

The injustice of the situation so enraged Signor Schio that he broke free and invited the Hakoah side either individually or collectively to come and be slaughtered.

There were no takers. In fact, Signor Schio, in the mood he was in, could probably have trailed his

coat throughout the County of Kilkenny without argument.

In the interests of Soccer, Christianity, and the law of the State of N.S.W., a phalanx of Apia players, headed by Captain Joe Marston, converged on Signor Schio, and sat on him to avoid further trouble.

There was no further trouble. The gendarmes came on to the field and demanded that the game go on, and that was that.

WILD STORM

Frankly, the matter was a storm in a teacup. I've seen, and been in, better fights at a surf club dance.

The Federation management committee this week showed little sense of proportion in talking about Federation matches in future being literally under the control of the police.

It's up to the Federation.

The first step is to improve the standard of refereeing.

Referees so out of condition that they are never within 50 yards of the play are no good, and neither are referees who make no secret of the fact that they favour one or other side before a match starts.

And ditherers who lack control are just as bad.

The Federation has too many referees guilty on one or more counts.

You can't hand over control of the game to the police, who have plenty of other duties to perform.

The remedy lies squarely with the Federation. It must develop efficient, forceful referees, who never lose control, and then move with resolution against clubs whose players persist in open defiance of the rules.

1959 State Squad

Thirty players have been named for the State squad; they are:

J. Ruyters (J.U.S.T.), De Francesco (Geelong), D. Morks (Wilhelmina), G. Picinic (Juventus), O'Neill (Moreland), M. Rezuk (J.U.S.T.), A. Marini (Juventus), T. Hartley (Hakoah), T. SECOND DIVISION NOTES

North . . .

By RUSSELL LEA.

The teams in this League are beginning to sort themselves out from the early season jumble, and there is a clear difference of eight points from the top to the bottom teams. Promotion could go to any one of the teams in the "Four," but the favourites are Fiorentina and Moonee Ponds. Last week, both these teams had fairly comfortable victories; Fiorentina defeating Heidelberg and Moonee Ponds defeating Fairfield.

Last week Collingwood improved their play to defeat St. Albans, who were sadly lacking in team work. University, with a 2-1 defeat of I.C.I., kept their promotion chances high, as did Essendon, who only scraped home from Williamstown 2-1.

An important match to-day is between University and Collingwood. University, who are equal third, and Collingwood fifth, both need a victory to keep their promotion chances high. Collingwood are an indifferent team, as can be seen from their 3-2 defeat by Williamstown and last week's defeat of St. Albans by 4-1. Collingwood may find University's half-back line extremely hard to pass, and may just lose to the students.

The other teams in the "Four," Fiorentina, Moonee Ponds and Essendon should have victories against I.C.I., Heidelberg and St. Albans, respectively. Perhaps the best of these matches will be between Fiorentina and I.C.I. Fiorentina will have to play well against I.C.I. to defeat them. In the remaining game Williamstown should defeat Fairfield,

Austria made their first appearance in the winning list this year with a fine victory last week over Rosebud in a very keenly contented match. Austria began in fine style and soon led 4-0, and were 5-1 in front at half-time. Rosebud were undaunted and fought back to reduce the deficit to 5-4, after which they were awarded a penalty kick, which the new Austria goal-keeper, Peschke, saved magnificently. This proved to be the turning point and Austria scored twice more to lead 7-4 at the final whistle. Austria are very pleased with the centre-forward debut of Vogl, who notched five goals, while half-back, Briem, was, as usual, outstanding in attack and defence.

Sandringham City moved to a clear-cut League leadership with a narrow win over the previously undefeated Italian Club, Oakleigh. The game was fiercely contested throughout with Len Hayball giving a wonderful exhibition of goal-keeping for Sandringham. Full-back, Ron Ruth, also had his best game to date. At the conclusion of the match the referee was subjected to much unpleasantness from the visiting players and supporters despite the efforts of Mr. Bill Campbell and other Sandringham members to protect him, and it appears that some people at least have not been impressed by the warnings of the Disciplinary Committee.

Frankston, with a good win over Moorabbin, have moved into secondd place in the League and are determined to maintain their undefeated record in to-day's encounter with Ferntree Gully, who revived their supporters' hopes with a 10-goal win over luckless Croydon. Ferntree Gully must win to-day to stay in the premiership struggle, although Frankston must be favoured on performances.

Bayswater have yet to register a win, but to-day is their chance to do so against Croydon.

PAGE FOR THE JUNIORS

Notes

At Fairburn Park, Essendon: Under 12 Section: Essendon 1, South Melbourne 0 (H.T. 0-0).

South Melbourne won the toss and elected to play with the wind in their favour. The visitors were the first to attack but were foiled by a resolute Essendon defence. A period of good mid-field play followed before the 'Dons gradually assumed command of the game. Favero, Walton and Tribe created opportunities for Essendon, which were missed. For South Melbourne, Jobawski, in goal, and Hamilton, kept Essendon out. An attack between Wheatley and Lamb nearly produced a goal for South Melbourne, but Robertson saved for Essendon.

In the second half the 'Dons attacked continually but their left wing failed in front of goal. Then Walton took a corner for Essendon and from the resulting scramble, Tribe scored for Essendon. South Melbourne forced two corners after breakaways, but Chlebica, in goal for Essendon was untroubled. Agius and Robertson held the South Melborune forwards and kept Essendon in attack.

New type cards have now been issued to all clubs and must be used from May 2. Rule 23 must be strictly observed by all concerned. Several clubs have not forwarded registration forms. Points won up to date may be deducted unless these forms are forwarded immediately. Clubs concerned are Army Apprentices, Croydon, Maribyrnong Hostel, Preston T.S.O.B., St. Kilda and Wesley College. All players registered for season 1958 must be re-registered.

An Under 16 six-a-side competition will be played at South Melbourne's ground, Middle Park, sponsored by South Melbourne United, on Queen's Birthday morning, June 15, commencing at 9 a.m. Clubs intending to enter teams in this competition are requested to send in their entries as soon as possible and not later than May 19. A handsome trophy and medals will be presented to the winning team.

Two teams from interstate will probably visit Melbourne during the August school holidays. Any club or supporter of Junior Soccer who can assist in billeting the boys during their six-day stay, are requested to contact the Junior Secretary, J. P. Threlfell, 3 Ferguson Street, Sunshine, W.20.

Two clubs failed to fulfil away fixtures on May 2—Heidelberg and Williamstown Hostel, Under 16 Sections. Clubs not fulfilling their obligations may not have their bond refunded at the end of the season.

Croydon failed to phone their result of the game Croydon v. Preston T.S.O.B., played on May 2, and have been fined in accordance with Rule 31. Clubs, please note.

Letter to the Editor

Sir,—Recent incidents involving soccer players and referees necessitates careful study rather than precipitous action by one body or the other. May I say at the outset that I fully concur with the concern of the Referees' Association, because, apart from their responsibility towards the game itself they have more humane responsibility towards their own members.

Education and character are unfortunately not the requisites that make a good soccer player. On the other hand the referees' tasks in Melbourne are not made any easier by the cosmopolitan composition of the soccer teams.

I believe it would be beneficial to soccer as a game, the referees, players, clubs and the soccer followers, if the Referees' Association would embark on a campaign of referee-player relations. Under such a plan the referee would:

(a) Visit clubs regularly.
(b) Get to know the players personally.
(c) Point out his difficulties in handling games.
(d) Ask players to discuss their grievances with him.
(e) Interpret the rules of the game.

It should be borne in mind that if referees are expected to accept these added responsibilities, they cannot do so on the pittance they receive at the moment.

Thanking you for your kind attention.—Yours, etc.,

JOHN ZAMMIT.

The excellent work of Austria's new coach, the ex-1st F.K. Vienna player, O. Marik, is showing good results. Austria would like to welcome F. Berner, who recently transferred from J.U.S.T.

In two weeks Melbourne University will be sending a squad of 18 players to compete in the annual Inter-University Soccer Carnival. The squad will be flying to Sydney for one week of soccer, played in an atmosphere of keen, friendly competition, and sportsmanship—not to mention the equally hectic off-the-field side of things.

CLUB NOTES

A large crowd at Moreland Campbell Reserve enjoyed a fast, first-class game, in which George Cross showed that this year is their year. In this game against Geelong all the team played excellently and the boys kept the ball on the ground, while long passes to the wings bewildered Geelong, who had no answer to the fast pace shown by them. The score could have been greater, if it weren't for the miraculous saves by the Geelong goalie, De Francesco.

★ ★ ★

With a view to establishing still closer relations with the players and to promote greater understanding of each other's problems, Box Hill committee has now a players' representative.

It is felt that if the players have a problem or grievance, the inclusion of a players' representative will do much to smooth out those problems, which can cause disunity and a losing team.

The next popular Sunshine City dance is in the Masonic Hall, Sunshine, on Saturday, May 16.

To encourage competition, University has innovated two trophies for the best and fairest player in each team. Top honours on Saturday were collected by U. Scharff in the first team and Chan in the Reserve team, both first-year players. Well played!

All clubs, please note: Melita's Secretary's address now is Stephen Cassar, 20 Hosking St., Williamstown.

In a well-handled, clean game, University defeated I.C.I. 2-1 at Deer Park. New players, D. Murray and C. Palliagy, playing their first game for University, showed out well. Forward play prevented University winning by an even greater margin.

Sandringham City's fine young Australian goalie, Len. Hayball, has been an inspiration to the team in recent hard matches against Austria and Oakleigh, with his coolness and brilliant anticipation. Len., who played as a forward in interstate junior soccer, is another Sandringham junior with a bright future; others are Ted Williamson (Melbourne), and Don. Hodgson (Moreland).

Sandringham's reserve strength is much stronger than current statistics show as, through injuuries and illness, seventeen players have already played 1959 first team soccer. The potential is there for a good winning streak soon, with Alan Barnett and Don. Sutherland showing consistent form, and Duncan Hyndman playing well against Park Rangers.

Soccer Round-Up from U.K.

By J. M. COOK

✦ St. Mirrens' defeat of Aberdeen in this year's Scottish Cup final by 3 goals to 1 was their first Cup victory for 33 years, and the game attracted 108,000 spectators.

Three St. Mirren players had their names taken by the referee and Aberdeen scored their solitary goal in the closing minutes of the game.

✦ When St. Mirren last won the Cup, in 1926, defeating Celtic in the final, the players on that occasion received a bottle of whisky from a well-known firm.

Centre-forward of that era, Dave McCrae, kept his bottle and did not open it until the Cup celebrations this year.

✦ Davie Lapsley, St. Mirren full-back and Cup winning captain, who has been with the club 13 seasons, has hung up his boots at the age of 35.

✦ Notts Forest appearance in this year's Cup Final was their first ever at Wembley.

They did, however, win the F.A. Cup in 1898 when they defeated Derby County, 3-1, but the match was played at Crystal Palace.

✦ Eight of Norwich City players who reached the semi-final of the F.A. Cup were non-smokers.

The manager, Archie McCaulay, himself chain smokes during a game.

✦ George Farm, the Blackpool goal-keeper who toured Australia last year, has now played 467 games for them since he joined 11 years ago.

George has also created a club record in that he has played 44 consecutive Cup games for Blackpool.

✦ Bert Tann, Bristol Rovers' manager, has introduced a touch of Australia into his players' diets —wheat germ oil.

✦ Biggest transfer deal in the U.K. last season was when £45,000 was paid by Manchester United for Sheffield Wednesday's Albert Quixall.

✦ Willie Redpath, former Motherwell and Scotland left-half, is now on the coaching staff of Hibernian.

✦ A coloured student, Max Adjei, is team captain of Worthing Central Football Club in Sussex.

Max comes from Ghana and is a student, but returns home this year.

✦ Coach to St. Mirren is Bobby Flavell, former Airdrie and Hearts star.

Bobby created a sensation a few years ago when, with two English players, they went to Bogota, South America, to play in defiance of the English and Scottish F.A.'s.

✦ In Kenya referees have recently been subjected to all-out attacks of stone throwing. Every referee is now covered by insurance each game.

✦ Every Barcelona (Spain) player receives £12 for the first goal scored by them, followed by £4 for each goal more than their opponent's score.

✦ Willie McNaught, Raith Rovers and Scotland player, starts his 20th season with the Kirkcaldy club in August.

✦ Ronnie Allen, West Brom. and former England centre, who has this season been figuring at outside-right, is likely to move from the Birmingham club shortly.

✦ Italian League Football is a luxury, according to President Joe Richards, of the English League, who recently made a tour there.

Minimum gate charge is around 8/- and at one match Richards attended, the crowd of 11,000 netted £4,000 in gate receipts.

In Britain, similar receipts would mean a 30,000 crowd.

✦ In a French newspaper poll for Sportsman of the year Didi, of Brazil, was the first Soccer player, in 8th place.

Herb. Elliott had a clear lead for 1st place.
